April 22, 2020

This form can be used to document the details of the emergency and justification for choosing the depopulation method used.

Premises Identification Number _____ **Date** _____

<p>Cause for depopulation: describe the circumstances necessitating depopulation</p>

Phase of production:	# Depopulated:	Method used:
-----------------------------	-----------------------	---------------------

Rationale*:

Phase of production:	# Depopulated:	Method used:
-----------------------------	-----------------------	---------------------

Rationale*:

Phase of production:	# Depopulated:	Method used:
-----------------------------	-----------------------	---------------------

Rationale*:

Phase of production:	# Depopulated:	Method used:
-----------------------------	-----------------------	---------------------

Rationale*:

*If a method classified as “permitted in constrained circumstances” is used, justification must be provided for why none of the preferred methods would have worked in this circumstance.
